EDUCATION

Chaitanya Bharathi Institute of Technology   Gandipet,Hyderabad
Computer Science and Engineeing (Bachelors of Engineering)   Nov-2022 - Present
CGPA: 9.88

Sri Chaitanya Junior College   Rudraram,Rangareddy
MPC Intermediate   Apr-2020 - May-2022
Percentage: 98.7%

Vasavi High School   Banswada,Kamareddy
Degree in Secondary School Education
GPA: 10

EXPERIENCE

Infosys Springboard | Python Intern   Remote | April - May 2024
SweetSpot E-commerce Platform Development
Contributed to the backend development of the SweetSpot e-commerce platform using Django and
Django REST Framework. Implemented key functionalities such as customer management, cake
cataloging, order processing, and real-time delivery tracking with Google Maps API. Developed secure
API endpoints and a user-friendly admin dashboard.

Bharat Intern | Web Development Intern   Remote | October - November 2023
Developed and deployed a temperature converter and a personal portfolio website, demonstrating
proficiency in web technologies. Utilized HTML, CSS, JavaScript, and responsive design principles to
create user-friendly and visually appealing web applications. Passionate about building dynamic and
interactive websites, continuously learning and applying new web development skills.

Forage | Software Engineering Job Simulation   Remote | November - December 2023
Completed a job simulation program focused on practical software engineering tasks. Developed skills in
interfacing with stock price data feeds and using JPMorgan Chase & Co. frameworks and tools. Created
visual data displays for traders and contributed to open source projects as a bonus task. Gained
hands-on experience in real-world software development environments.
